Skin & Hair Wellness Center and Spa is supporting the South Lake Tahoe Women's Center with a spring cleaning special. All through March, April and May, when people bring in three or more skin-care or hair-care items, they will receive 15 percent off retail items purchased.

The South Lake Tahoe Women's Center is dedicated to improving the emotional, social and economic conditions of women and families in the community. This is done through programs and services that address domestic violence, sexual assault, child abuse and basic needs in the community.

The community is encouraged to help. Clean out your cupboards and bring those skin-care and hair-care products you never have used and support the Women's Center.

For more information, visit Skin & Hair Wellness Center and Spa, 1017 Carson St., No. 6, or call (530) 544-8545. The shop is open seven days a week.
