Soroptimist International of South Lake Tahoe presented checks for \$50,000 to 19 groups and individuals during the service club's 2007-08 Community Service Grants luncheon.

The recipients were introduced and presented checks by allocation committee members Karen Kurtzman, Peggy Jenner and Rose Marie Ottman. After receiving their grants, a representative of each group told the Soroptimists about their organization and thanked the club for their grant.

Money for the grants was raised by SISLT members at the service club's Best of Tahoe Wine Tasting and Food Tasting and the concessions booths at the Celebrity Golf Tournament.

Soroptimist International of South Lake Tahoe is an organization for business and professional women dedicated to improving the quality of life in the community and throughout the world by providing service.
