Thanks for the kindness to Bev

November 22, 2006

The family and close friends of Bev Matschowiak would like to extend their heartfelt thanks to all of those who helped Bev make the most of her life in her final years.

Bev passed away Nov. 10 in Monterey. Her life was touched by many people in the Lake Tahoe area, who showered her with their kindness and generosity. You were her guardian angels and you know she'll be now looking out for you. Thank you for everything.

Big UPS from women's center

The board of directors, staff, volunteers and clients of South Lake Tahoe Women's Center would like to express our most sincere gratitude to The UPS Foundation, the charitable arm of UPS, for a grant of \$15,000.

The funds will allow the center to provide counseling for children who are survivors of domestic violence. The goal of the Women's Center services for children is to break the cycle of violence that often is passed down through generations in families. Individual counseling helps children recover from trauma they suffer due to violence they see or experience, so that they can begin to rebuild their self-esteem and confidence.

"This grant will truly make a difference in the Women's Center ability to serve the needs of the community," said Gale Davis, board member.

The UPS Foundation identifies specific areas where its grants can clearly have an impact on social issues in the communities served by UPS.

Thank you to The UPS Foundation for making such a difference in the lives of children in our community

Thank you to Mrs. Winslow, Father Michael and Jenna Malone for reading to the students.

And a very special thank you should be extended to Mr. Mike Eyers for his generous donation that helped make the reading night a success.
